

## Finding the Main Arts University building

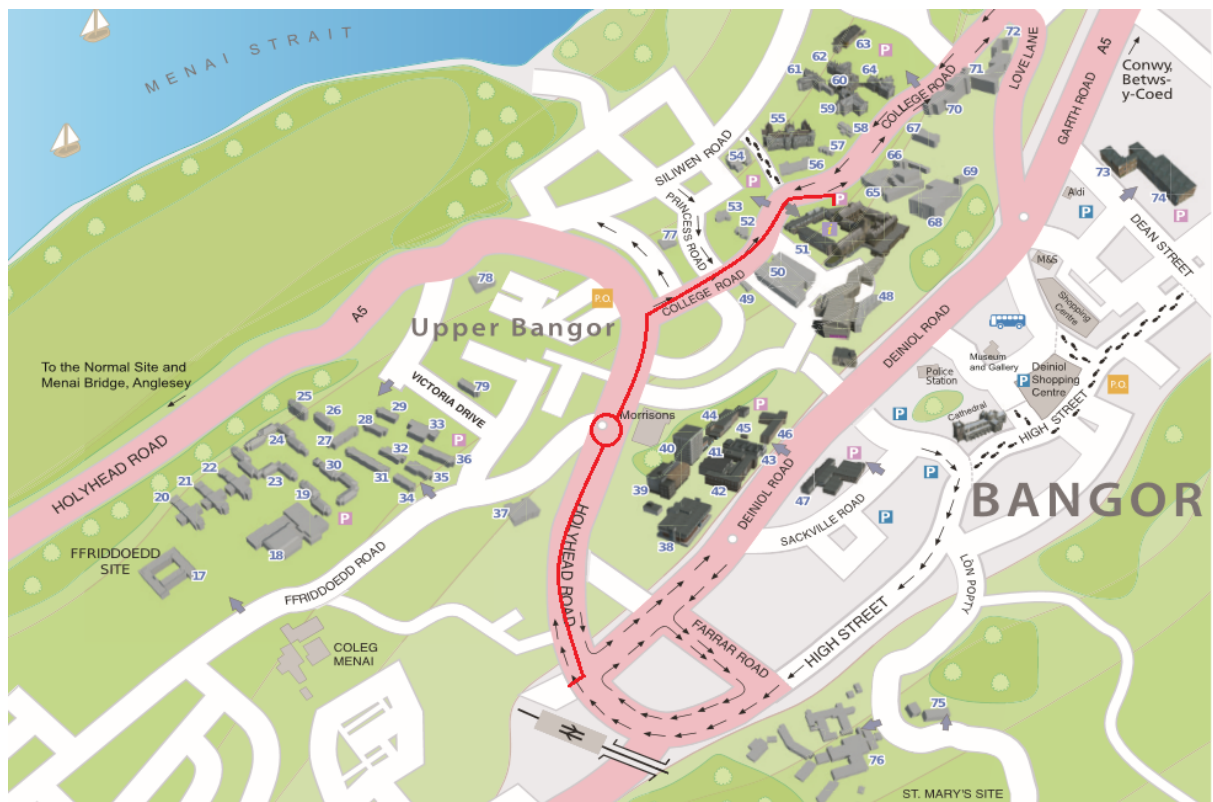

### **1) From Ffriddoedd site University accommodation (Approximately 15 minute walk/5 minute drive):**

1. Turn left out of Ffriddoedd site onto Ffriddoedd Road (the main road).
2. Travel along Ffriddoedd Road to the roundabout. With Morrisons in front of you, turn left onto Holyhead road.
3. Continue along Holyhead road until you reach a right turn onto College Road (the Belle Vue pub will be on the corner).
4. Turn right and continue down College road, you will see a red sign 'Main University Building' on your right.
5. Continue further along College Road past this sign, past the vehicle barrier entrance to the car park (if you have applied for a parking permit you can enter the main car park here).
6. If you're walking, continue walking along the building until you reach the main entrance to Main Arts (past the corner on your right). The registration desk will be located through the automatic doors.

## 2) From the train station (Approximately 15 minute walk/5 minute drive):

1. Standing outside the train station entrance, looking towards the junction, turn left onto Holyhead Road.
2. Continue along Holyhead Road, across the roundabout (Morrisons will be on your right) until you see College Road on your right (the Belle Vue pub will be on the corner).
3. Turn right and continue down College road, you will see a red sign 'Main University Building' on your right.
4. Continue further along College Road past this sign, past the vehicle barrier entrance to the car park.
5. Continue walking along the building until you reach the main entrance to Main Arts (past the corner on your right). The registration desk will be located through the automatic doors.

### 3) From the Management Centre (Approximately 2 minute walk):

1. Turn right out of the Management Centre onto College road.
2. Continue along College Road and the Main Arts building will be on your left.
3. Walk through the car park towards the double doors sign posted 'Main Entrance' - the registration desk will be located through these automatic doors.
